

MARKETING & DESIGN INTERNSHIP DESCRIPTION

BACKGROUND

The Wilhelm & Karl Maybach Foundation's work is inspired by the heritage of Founder Ulrich Schmid-Maybach's great-grandfather, Wilhelm Maybach, who was raised in a progressive orphanage in Germany after his parents died. Through a stroke of luck, his math and drawing potential was spotted by Gottlieb Daimler, who became his mentor. With Daimler's support and guidance, Maybach developed a revolutionary engine that launched the modern automotive era and fundamentally changed the world of transportation.

The Maybach Foundation's mission is to inspire people by showing Maybach engineering and design heritage, and by offering programs that encourage innovation. In 2015, the Foundation started the restoration of a Maybach engine train, and the establishment of an adjunct museum based in Friedrichshafen, Germany. Currently, plans are being made to refine and publish mentorship learning materials gleaned from the Foundation's work, while the focus remains on the European projects. Learn more about the Maybach Foundation at www.maybach.org.

INTERNSHIP TERMS: 8 HRS/WEEK, 3 MONTHS, UNPAID (W/ OPTION TO EXTEND)

As a Wilhelm & Karl Maybach Foundation Marketing & Design Intern you will have an opportunity to observe the inner workings of a family foundation.
